POWERCOOL TOWER

POWERCOOL Tower operates instantly with
a simple power connection, an outdoor cooling solution
that requires **no complex installation**.

It can be used easily and efficiently in large open spaces.
With its tall tower structure and four-way jet airflow design,
it delivers powerful, high-speed cooling across wide outdoor areas.
An optional LED display panel provides real-time information or
advertising, creating a comfortable and communicative
environment in any setting.

POWERCOOL Tower

| Key Features

Powerful 4-Way Jet Cooling

With eight jet nozzles, two per side, POWERCOOL Tower delivers fast, powerful cooling in all four directions, ensuring broad and even coverage across large outdoor spaces.

Built for Outdoor Durability

Designed to maintain stable performance under harsh sunlight, wind, and dust, with enhanced durability for outdoor operation.

Instant Plug & Play Cooling

No piping or ductwork required. Simply connect to power and start cooling immediately. Quick setup makes it ideal for temporary events or spot cooling.

Intuitive Digital Controller

Easily monitor and adjust timer, fan speed, temperature, and operation mode with an intuitive digital interface.

Easy Mobility & Firm Fixation

Heavy-duty casters with bolt-down anchors allow smooth movement and secure installation for stable outdoor operation.

Sleek & Premium Design

Elegant and understated, its refined tower form naturally complements various event spaces while maintaining a premium appearance.

Optional Dual LED Display

Optional dual-sided LED display enables real-time broadcasting of advertisements, event information, and brand visuals.

| Specifications

Model	PCT-6000
Cooling Area	52.9 m ² (570 ft ²)
Cooling Capacity	6,050 kcal/h (≈24,000 BTU/h)
Power Supply	220Vac, 1Ph, 60Hz
Dimensions (WxDxH)	600 x 600 x 2050 mm (23.6 x 23.6 x 80.7 in)
Weight	150 kg (331 lbs)
Power Consumption (kW)	2.8
Operating Current (A)	12.7
Air Speed (m/s)	14~15

* Custom specifications available upon request based on installation environment.
